Honorable Allen W. Dulles
Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Dulles:

By delegation of authority dated May 12, 1954, the Director, Central Intelligence Agency was authorized to appoint not to exceed twenty special policemen under section 9 of the Act of May 27, 1924, as amended (D.C. Code 4-208) to police buildings and grounds occupied in the District of Columbia by the Agency, with specified limited authority.

Subsequent to the issuance of this delegation of authority it was deemed desirable to establish a reporting procedure and to advise the heads of the Federal agencies to whom such appointive authority was delegated of the scope of authority of special policemen. These changes have made necessary a revision of all existing delegations to appoint special police, including the one above cited.

There are enclosed Delegation of Authority No. 199, Revised, which supersedes the delegation dated May 12, 1954, a copy of "Authority of Special Police" and six copies of GSA Form 1322 "Report of Activities under Delegation of Authority to Appoint Guards as Special Police."

If there are any questions in connection with the revised delegation, it is suggested that your office contact Mr. William H. Alexander, Director, Protection Division, Public Buildings Service, Code 156, Ext. 4831.

Sincerely yours

ROBERT C. MANN
Administrator
